ENVIRONMENTAL SUSTAINABILITY POLICY

Best Practice - Quality area 3

Replace disposable nappies with a nappy wash service		
Replace wet wipes with washable cloths		
Encourage children to bring rubbish-free lunch/snack in a reusable container		
Adopt green cleaning practices by using safe and sustainable cleaning products and methods		

ENVIRONMENTAL SUSTAINABILITY POLICY

Best Practice - Quality area 3

<p>Assign roles such as water, waste and energy monitors to children within the service (consider providing them with badges and charts appropriate to their role). Children are often vigilant at monitoring the behaviour of their peers</p>
